Katharine, yes, I could speak with you next week. I am on travel Mon pm and Tuesday, but could schedule something Wed/Thurs. Let me know if that would work. David

Dear David,

I hope that you might have an opportunity to chat about the ongoing discussion/process between US EPA and DOGGR regarding the UIC program next week? To be frank, I have some materials I need to review before we talk which is why I suggested next week.

I appreciate very much how helpful you and the US EPA have been.

Cheers,

Katharine

Good morning,

I just left you a voice mail, but I thought it might be a good idea to email too.

In the Bakersfield Californian story this morning on aquifer exemptions it mentions a December 22, 2014 letter from the US EPA to DOGGR regarding the UIC program. I am hopeful that you

will be able to provide a copy of that letter to me.

Much thanks,

Katharine
